

In the opinion of Brown, Harper, Burns & Hentschke, Bond Counsel, based on existing statutes, regulations, rulings, and court decisions and assuming, among other matters, compliance with certain covenants, interest on the Special Tax Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes. In the opinion of Bond Counsel, interest on the Special Tax Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that it is included in adjusted net book income and adjusted current earnings in calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding other federal income tax consequences relating to the accrual or receipt of interest on the Special Tax Bonds. See "TAX EXEMPTION" herein.

COMMUNITY FACILITIES DISTRICT NO. 1
SPECIAL TAX BONDS, SERIES A

INTRODUCTION

The purpose of this Official Statement, which includes the cover page and the attached Appendices, is to provide certain information with respect to the issuance of Poway Unified School District (San Diego County, California) Community Facilities District No. 1 ("CFD No. 1"), Special Tax Bonds, Series A (the "Bonds") for the purpose of financing the costs of school facilities to serve the District.

The Mello-Roos Community Facilities Act of 1982, as amended, constituting Sections 53311 *et seq.* of the California Government Code ("Act"), was enacted by the California Legislature to provide an alternative method of financing certain essential public capital facilities and services, especially in developing areas of the State of California ("State"). Once duly established, a community facilities district is a legally constituted governmental entity within definitely defined boundaries, with the governing board or legislative body of the local agency acting on its behalf. Subject to approval by a two-thirds vote of qualified electors and compliance with the provisions of the Act, a legislative body of a local agency may issue bonds for a community facilities district and may levy and collect a special tax within such a district to repay such indebtedness.

Pursuant to the Act, the Board, acting in its capacity as the legislative body of CFD No. 1, adopted Resolutions stating its intent to establish CFD No. 1, to authorize the levy of a special tax on land within CFD No. 1 (Resolution No. 41-87 adopted March 28, 1987) and to have CFD No. 1 incur bonded indebtedness (Resolution No. 47-87 adopted March 28, 1987). Following public hearings conducted pursuant to the provisions of the Act, the Board adopted a Resolution establishing CFD No. 1 and called a special election for the District. At the special election, the electors within the boundaries of CFD No. 1 authorized CFD No. 1 to incur bonded indebtedness to finance the construction of certain public facilities to meet the needs of new development within CFD No. 1 and approved the maximum rate and method of apportionment of an annual Special Tax (the "Special Tax") to pay the principal of and interest on the Bonds issued by CFD No. 1. The election was held on August 25, 1987. CFD No. 1 has authorized Bonds in the principal amount of \$138,251,618 (in 1986-87 dollars), subject to escalation. See "SECURITY FOR THE BONDS - The Special Tax" herein.

Brief descriptions of the Bonds, the security for the Bonds, the School District, and CFD No. 1 are included in this Official Statement together with summaries of certain provisions of the Bond Indenture. Such descriptions do not purport to be comprehensive or definitive. All references herein to each of the Indentures are qualified in their entirety by reference to each document, and references herein to the Bonds are qualified in their entirety by reference to the form thereof included in the Indenture, copies of which are available for inspection at the office of the District.

THE BONDS

Authority for Issuance

CFD No. 1 was established, and bonded indebtedness in the maximum aggregate principal amount of \$138,251,618 was authorized, pursuant to provisions of the Act. In accordance with such provisions, qualified electors were entitled to cast one vote for each acre, or portion of an acre, of land owned within CFD No. 1. A two-thirds (2/3) affirmative vote was necessary to incur the indebtedness and to approve the Special Tax to be collected in CFD No. 1 for the purpose of repaying CFD No. 1's indebtedness.

Special Tax Bonds were authorized by the qualified electors in CFD No. 1 at an election held on August 25, 1987, and Series A Bonds for CFD No. 1 will be issued pursuant to the Act and the Bond Indenture (the "Indenture") dated as of October 1, 1991, approved by the Board of Education acting as the governing body of CFD No. 1 on August 26, 1991.

Amount and Purpose of the Bonds

The purpose of the Series A Bonds is to provide partial funding for the Facilities to serve the area within CFD No. 1. Bond authorization for the Series A Bonds has been set at \$8,000,000.

No prior Special Tax Bonds have been issued to date for CFD No. 1.

The Facilities and Sources of Construction Funding

The Bonds are being sold to finance, in part, the construction of Adobe Bluffs Elementary School and Carmel Mountain Elementary School or other authorized facilities (the "Facilities"). The estimated cost of construction (including grading of the two previously acquired school sites) for both of the two schools is approximately eleven million seven-hundred thousand dollars (\$11,700,000). Since establishment of CFD No. 1 and the initial levy and collection of special taxes within CFD No. 1, the District has accumulated approximately \$4,800,000 to be used directly to pay a portion of the costs of construction of the Facilities. After application of the estimated \$4,800,000 in previously collected special taxes to the total cost of \$11,700,000 for construction of both schools, the estimated balance of construction costs of approximately \$6,900,000 is to be financed from the proceeds of the Series A Bonds. Descriptions of the two elementary schools follow:

Carmel Mountain Elementary School

Carmel Mountain Elementary School will be constructed in the Carmel Mountain Ranch residential development located within the boundaries of CFD No. 1 on a site of approximately 9.87 acres. The school will consist of a 44,060 square foot building which will house students from Kindergarten through Fifth Grade. The facility includes two Kindergarten classrooms, 19 standard Elementary classrooms, one Special Education classroom intended for use by the severely handicapped, a school Library, a Multi-Purpose Room, a Kitchen, Administrative Offices and subsidiary facilities (i.e., parking facilities, a playground, an athletic field, etc.). The District expects to house approximately 700 students in the facility.

Adobe Bluffs Elementary School

Adobe Bluffs Elementary School will be constructed in the Penasquitos area and will be located within the boundaries of CFD No. 1 on a site of approximately 10 acres. The school will consist of a 44,066 square foot building which will house students from Kindergarten through Fifth Grade. The facility includes two Kindergarten classrooms, 19 standard Elementary classrooms, one Special Education classroom intended for use by the severely handicapped, a school Library, a Multi-Purpose Room, a Kitchen, Administrative Offices and subsidiary facilities (i.e., parking facilities, a playground, an athletic field, etc.). The District expects to house approximately 700 students in the facility.

Although the District intends to finance, in part, the construction of Adobe Bluffs and Carmel Mountain Elementary Schools, the District reserves the right to use proceeds of the Bonds to finance school projects other than Adobe Bluffs Elementary School and Carmel Mountain Elementary School as provided in the Indenture.

Description of the Bonds

CFD No. 1 Series A Bonds will be issued in the aggregate principal amount of \$8,000,000. All Series A Bonds shall be dated October 1, 1991, and interest thereon shall be payable semi-annually on October 1 and April 1 ("Interest Payment Date(s)"), commencing April 1, 1992. All Series A Bonds shall bear interest from the Interest Payment Date next preceding the date of authentication unless: (i) said Series A Bonds are authenticated as of an Interest Payment Date, in which event they shall bear interest from the date thereof; or (ii) said Series A Bonds are authenticated after the 15th day of the month preceding an Interest Payment Date ("Record Date") and before such Interest Payment Date, in which event they shall bear interest from such Interest Payment Date, or (iii) said Series A Bonds are authenticated and registered on or prior to the first record date, in which event they shall bear interest from their date. Interest is calculated on the basis of a 360-day year comprised of twelve, thirty-day months.

All Series A Bonds will mature on October 1 of the years and in the principal amounts set forth on the cover hereof.

All Series A Bonds are issuable as fully registered bonds in the denomination of \$5000 or any integral multiple thereof. Principal of and any redemption premium on Series A Bonds will be payable in lawful money of the United States of America upon surrender thereof at maturity or on the earlier redemption thereof at the principal corporate trust office of the Trustee in Los Angeles, California. Interest on Series A Bonds shall be paid by check of the Trustee in lawful money of the United States of America and mailed by first-class mail, postage prepaid, on the Interest Payment Date to the owner thereof at his address as it appears on the books of registration, or at such address as may have been filed for that purpose, as of the fifteenth (15th) day of the month preceding such Interest Payment Date.

Application of the Proceeds of the Series A Bonds

The proceeds from the sale of the Series A Bonds shall be deposited in the CFD's accounts and funds, in the following order:

- (a) Into the CFD's Bond Service Fund, a sum equal to the amount of interest accruing on the Series A Bonds from the date thereof to and including the date of delivery to the initial purchaser thereof;
- (b) Into the CFD's Reserve Fund, a sum equal to the CFD's Reserve Requirement (as hereinafter defined); and
- (c) Into the CFD's Construction Fund, the remainder of the proceeds of the sale of the CFD's Series A Bonds.

For a description of all the Bond funds and accounts, your attention is directed to the section of this Official Statement entitled "THE INDENTURE."

Optional Redemption

Series A Bonds maturing on or after October 1, 1999, may be redeemed prior to maturity at the option of the CFD, from any source of the CFD's funds on any Interest Payment Date commencing October 1, 1998, as a whole or in part in inverse order of maturity and by lot within a single maturity, at the redemption prices set forth below. For the purposes of such redemption, Series A Bonds will be deemed to consist of \$5000 portions, and any such portion may be separately redeemed. The Series A Bonds called prior to maturity at the option of the CFD will be redeemed at the following redemption prices, expressed as a percentage of the principal amount thereof, together with accrued interest to the date of redemption:

<u>Redemption Dates</u>	<u>Principal Redeemed</u>
October 1, 1998 or April 1, 1999	103.0%
October 1, 1999 or April 1, 2000	102.0%
October 1, 2000 or April 1, 2001	101.0%
October 1, 2001 and thereafter	100.0%

Extraordinary Mandatory Redemption

The Bonds are subject to extraordinary mandatory redemption on any date, in whole or in part, from monies received from the State of California for the purpose of funding or reimbursing the cost of construction or acquisition of school facilities, if and to the extent receipts of such monies are conditioned upon the District's redemption of the Bonds. If less than all of the Bonds are redeemed, the Bonds shall be selected in inverse order of maturity and by lot within any such maturity. The Bonds so called for redemption shall be redeemed at the following redemption prices, expressed as a percentage of the principal amount thereof, together with accrued interest to the date of redemption:

<u>Redemption Dates</u>	<u>Principal Redeemed</u>
October 1, 1991 through September 30, 1992	103.0%
October 1, 1992 through September 30, 1993	102.5%
October 1, 1993 through September 30, 1994	102.0%
October 1, 1994 through September 30, 1995	101.5%
October 1, 1995 through September 30, 1996	101.0%
October 1, 1996 through September 30, 1997	100.5%
October 1, 1997 and thereafter	100.0%

Notice of Redemption

When redemption is authorized or required, the Trustee will, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption, mail a notice, postage prepaid, to (i) the respective registered owners of the Series A Bonds ("Owners or "Bondowners") or portions of Series A Bonds to be redeemed at the addresses appearing on the Series A Bond registration books, (ii) one or more Information Services, and (iii) the Security Depositories. The notice of redemption shall: (a) State the redemption date; (b) State the redemption price; (c) State the numbers and dates of maturity of the Series A Bonds to be redeemed, and in the case of Series A Bonds to be redeemed in part, the respective principal portions to be redeemed; provided, however, that whenever any call includes all Series A Bonds of a maturity the numbers of the Series A Bonds of such maturity need not be stated; (d) Require that such Series A Bonds be surrendered at the Principal Corporate Trust office of the Trustee in Los Angeles, California; and (e) Give notice that further interest on such Series A Bonds will not accrue after the designated redemption date.

The actual receipt of the notice of redemption by the Owner of any Series A Bond shall not be a condition precedent to redemption, and failure to receive such notice will not affect the validity of the proceedings for redemption of such Series A Bonds or the cessation of interest on the date fixed for redemption.

A certificate by the Trustee that notice of call and redemption has been given to the registered Owners of the Series A Bonds as provided for in the Indenture shall be conclusive as against all parties, and no Owner whose Series A Bond is called for redemption may object thereto, or object to cessation of interest on the redemption date, by any claim or showing that he failed to receive actual notice of call and redemption.

When notice of redemption has been given substantially as provided for in the Indenture, and when the amount necessary for the redemption of the Series A Bonds called for redemption is set aside for that purpose in the CFD Series A Bond Redemption Fund, the Series A Bonds designated for redemption will become due and payable on the date fixed for redemption thereof, and upon presentation and surrender of the Series A Bonds at the place specified in the notice of redemption, the Series A Bonds shall be redeemed and paid at the redemption price out of the CFD Series A Bond Redemption Fund and no interest will accrue on such Series A Bonds or portions of Series A Bonds called for redemption after the redemption date specified in said notice, and the Owners of such Series A Bonds so called for redemption after such redemption date may look for the payment of principal, interest, and premium, if any, of such Series A Bonds or portions of Series A Bonds only to said CFD Redemption Fund. All Series A Bonds redeemed shall be canceled by the Registrar and shall not be reissued. Upon surrender of Series A Bonds redeemed in part, a new Bond or Bonds of the same maturity shall be registered, authenticated and delivered to the registered Owner at the expense of the CFD in the aggregate principal amount of the unredeemed portion.

All unpaid interest payable at or prior to the date fixed for redemption will continue to be payable to the registered Owners of such Series A Bonds, but without interest thereon.

Registration, Transfer, and Exchange

There will be kept by the Trustee books for the registration and transfer of the Bonds and, upon presentation for such purpose, the Trustee will, under such reasonable regulations as it may prescribe, register or transfer, or cause to be registered or transferred, on said register, Bonds as provided in the Indenture.

The transfer of any Series A Bond may be registered only upon such books of registration upon surrender thereof to the Trustee, together with an assignment duly executed by the Owner of such Series A Bond or his attorney or legal representative, in satisfactory form to the Trustee. Upon any such registration of transfer, a new Series A Bond or Bonds shall be authenticated and delivered in exchange for such Series A Bond, in the name of the transferee, of any denomination or denominations authorized by the Indenture, and in an aggregate principal amount equal to the principal amount of such Series A Bond or Bonds so surrendered. In all cases in which Series A Bonds shall be exchanged or transferred, the Trustee will authenticate at the earliest practical time, Series A Bonds in accordance with the provisions of the Indenture. All Series A Bonds surrendered in such exchange or registration transfer shall forthwith be canceled. The Registrar may make a charge for every such exchange or registration or transfer of Series A Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer.

Series A Bonds may be exchanged at the principal corporate trust office of the Trustee in Los Angeles, California, for a like aggregate principal amount of Series A Bonds of the same maturity, subject to the terms and conditions provided in the Trustee's system of registration, including the payment of certain charges, if any, upon surrender of such Series A Bonds. Upon such exchange, a new registered Bond or Bonds of any authorized denomination or denominations of the same maturity for the same aggregate principal amount will be issued in exchange therefore.

The Board may make a charge for every such exchange or registration or transfer of Series A Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration or transfer. The Trustee will not be required to make such exchange or registration or transfer of Series A Bonds during the fifteen (15) days immediately preceding any date upon which Series A Bonds are to be selected for redemption, nor will the Trustee be required to exchange or register the transfer of any Series A Bond selected for redemption.

Mutilated, Lost, Destroyed or Stolen Bonds

In case any Series A Bond shall become mutilated or be destroyed, stolen, or lost, the Trustee will authenticate a new Series A Bond of like maturity and principal amount in exchange for and upon the surrender of such mutilated Series A Bond or in lieu of and in substitution for such Series A Bond destroyed, stolen or lost, upon the owners paying the reasonable expenses and charges in connection therewith, and in the case of a Series A Bond destroyed, stolen, or lost, his filing with the Trustee of evidence satisfactory to it and the respective CFD that such Series A Bond was destroyed, stolen, or lost, and of his ownership thereof, and furnishing the Trustee and the respective CFD with indemnity satisfactory to them.

Ownership of Bonds

The person in whose name any Series A Bond is registered on the registration books of the Trustee will be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal and redemption premium, if any, of such Bond, and the interest on any such Bond will be made only to or upon the order of the owner thereof or his legal representative. All such payments will be valid and effectual to satisfy and discharge the liability upon such Bond, including the redemption premium, if any, and interest thereon, to the extent of the sum or sums so paid.

SECURITY FOR THE BONDS

The Series A Bonds for CFD No. 1, the interest thereon, the administrative expenses of the Series A Bonds for CFD No. 1 and any amounts required to replace monies withdrawn from the Reserve Fund for CFD No. 1 in order to maintain the CFD's Reserve Fund at the Reserve Requirement, are secured by and payable solely from the collection of an annual Special Tax to be levied by the Board of Education, as the legislative body of CFD No. 1, on property within CFD No. 1 and, in certain circumstances, from interest earned on funds held pursuant to the Indenture. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE POWAY UNIFIED SCHOOL DISTRICT (SAN DIEGO COUNTY, CALIFORNIA), THE STATE OR ANY POLITICAL SUBDIVISION OF EITHER OF THE FOREGOING IS PLEDGED TO THE PAYMENT OF THE SERIES A BONDS. The Special Tax is exempted from the tax rate limitation of California Constitution Article XIII A pursuant to Section 4 thereof as a "special tax" authorized by a two-thirds vote of the qualified electors as set forth in the Act. Consequently, the Board has the power and is obligated to cause the levy and collection of the Special Tax in an amount determined according to a formula which the Board and the electors have approved. The formula apportions the Special Tax each year among the parcels subject to the Special Tax in CFD No. 1. Occupied equivalent dwelling units are defined as those properties that have been issued a building permit by the County. The Board will levy in each fiscal year the Special Tax described in Ordinance 88-1 in an amount sufficient and permitted by the Act in order to yield the required "debt service". The term "debt service" includes, but is not limited to, amounts needed to pay principal of and interest on the Series A Bonds, amounts needed to replenish the Reserve Fund, amounts to pay the administrative costs of issuing and servicing the Series A Bonds and the amounts necessary to collect the Special Tax.

The Special Tax

On May 26, 1987, the Board of Education passed the Resolution of Formation to establish CFD No. 1 and called an election for the purpose of approving the issuance of bonds for the financing of certain public improvements and the imposition of the Special Tax and the method of apportionment thereof. On August 25, 1987, qualified electors within proposed CFD No. 1 voted to incur bonded indebtedness in the maximum aggregate principal amount of \$138,251,618, with interest at a rate or rates established at such time as bonds are sold to finance the public improvements, said indebtedness to be secured by the annually levied Special Tax. On October 5, 1987, the Board acting as the legislative body of CFD No. 1, after canvassing of votes, enacted Ordinance No. 88-1 authorizing the levy of a Special Tax within CFD No. 1.

Although the Special Tax when levied constitutes liens on taxed parcels within CFD No. 1, they do not constitute a personal indebtedness of the owners of property subject to taxation within CFD No. 1. Moreover, other liens for taxes and assessments already exist on the property located within CFD No. 1 and others could come into existence in the future. See "Direct and Overlapping Bonded Debt". There is no assurance that the property owners will be financially able to pay the annual Special Taxes or that they will pay such taxes even if financially able to do so. (See "BONDOWNERS' RISKS" herein.)

CFD No. 1 will levy, in each fiscal year, the Special Tax in an amount sufficient and permitted by the Act in order to yield the required respective Annual Debt Service for the Bonds and to replenish the Reserve Fund. The following summarizes the estimated Special Tax to be levied. (See "Appendix B, Rate and Method of Apportionment of Special Tax.")

The Special Tax, except where funds are otherwise available, for residential units shall be levied and collected according to the designated class of the unit as described herein (in the "Rate and Method of Apportionment of Special Tax" included as Appendix B) at an annual rate shown herein for which rate shall increase two percent (2%) per year compounded annually unless the Board subsequently determines that debt service payments and other CFD obligations may be met with the levy of a lesser tax. The rate in effect for the class of unit during the fiscal year a unit is first subject to the tax shall be the rate initially applicable to each unit and shall be levied for one year. The subsequent Annual Special Tax shall be levied against each developed property for a period not to exceed twenty-four (24) years after the levy of the Initial Special Tax.

Additional Bonds will only be issued if the Special Tax, if levied at the maximum permitted rate in each fiscal year, will generate an amount that will equal or exceed one-hundred-ten percent (110%) of "Annual Debt Service" on all Outstanding Series A Bonds and any Additional Bonds in the first bond year subsequent to the issuance of such Additional Bonds. (See "BOND INDENTURE - Issuance of Additional Bonds" herein.)

The Special Tax imposed by the Board for CFD No. 1 will be collected in the same manner and at the same time as ad valorem property taxes are collected by the Tax Collector of the County. When received, such Special Taxes pledged under the Indenture will be deposited in the Series A Special Tax Fund held by the Trustee for deposit into the Redemption Fund, the Administrative Expense Fund, or the Reserve Fund.

Covenant for Superior Court Foreclosure

Pursuant to Section 53356.1 of the Act, in the event of any delinquency in the payment of the Special Tax, CFD No. 1 may order the institution of a Superior Court action to foreclose the lien therefor within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at judicial foreclosure sale. Such judicial foreclosure action is not mandatory. However, CFD No. 1 has covenanted for the benefit of the owners of the Series A Bonds that they will review the public records of the County in connection with the collection of the Special Tax not later than August 1 of each year to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the amount so collected is less than 95% of the amount of the Special Tax levied for CFD No. 1 in such Fiscal Year, they will institute foreclosure proceedings not later than the succeeding November 1 as authorized by the Act in order to enforce the lien of the delinquent installments of the Special Tax against each separate lot or parcel of land in CFD No. 1, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale. Initiation of such foreclosure proceedings may be deferred if the amount on deposit in the Reserve Fund is maintained at a level equal to the Reserve Requirement.

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to owners of the Bonds (if the Reserve Fund has first been depleted) pending such sales or the prosecution of such foreclosure proceedings and receipt by the CFD of the proceeds of sale.

No assurances can be given that the real property subject to sale or foreclosure will be sold or, if sold, that the proceeds of sale will be sufficient to pay any delinquent Special Tax installment. The Act does not require the CFD to purchase or otherwise acquire any lot or parcel of property sold if there is no other purchaser at such sale, nor does the Act specify the priority relationship between the Special Tax and other taxes and assessments. However, the Special Tax will have the same lien priority in the case of delinquency as for ad valorem property taxes.

A judgment debtor (property owner) has one-hundred-forty (140) days from the date of service of the notice of levy in which to redeem the property to be sold. If a judgment debtor fails to so redeem and the property is sold, the judgment debtor's only remedy is an action to set aside the sale, which must be brought within six (6) months of the date of sale. If, as a result of such an action, a foreclosure sale is set aside, the judgment is revived and the judgment creditor is entitled to interest on the revived judgment as if the sale had not been made. The constitutionality of the aforementioned legislation, which repeals the former one-year redemption period, has not been tested; and there can be no assurance that, if tested, such legislation will be upheld.

Reserve Fund

In order to further secure the payment of principal of and interest on the Bonds, CFD No. 1 is required, upon delivery of the Bonds, to deposit and maintain at all times, while the Bonds or any additional Bonds are outstanding, an amount equal to the lesser of Maximum Annual Debt Service on the Bonds; ten percent (10%) of the par amount of the Bonds or; one-hundred-twenty-five percent (125%) of average annual Debt Service on the Bonds less Bonds redeemed prior to their maturity or at their maturity ("Reserve Fund Requirement") in the Reserve Fund (the "Reserve Fund"), which shall be held and administered by the Trustee. Amounts in the Reserve Fund shall be used only to pay principal of and interest on the Bonds, to the extent other monies are not available therefor. See the section of this Official Statement entitled "THE INDENTURE - Series A Bond Reserve Fund and Issuance of Additional Bonds" described therein.

BONDOWNERS' RISKS

Property Ownership and Development

Failure of the property owners to pay installments of Special Taxes when due could result in the depletion of the Reserve Fund prior to reimbursement from the resale of property or from delinquent redemptions. In that event, there could be a delay in payments of the principal of and interest on the Series A Bonds. See subsections entitled "Bankruptcy" and "Covenant for Superior Court Foreclosure" described herein. Although the Special Taxes as collected will be secured by liens on taxed parcels within CFD No. 1, they do not constitute a personal indebtedness of the owners of property within the CFD. There is no assurance that the owners will be financially able to pay the annual Special Taxes or that they will pay such taxes even if financially able to do so.

The total number of property owners is rapidly increasing due to sales of property to homeowners purchasing single-family residences.

As discussed under the caption "THE COMMUNITY FACILITIES DISTRICT" herein, land within CFD No. 1 has been developed to the point of having had approximately 5,846* separate building permits issued to date for both detached and attached single-family residences. Of these building permits, approximately 187 represent units currently for sale or under construction; the remaining 5,659 represent occupied residences. Presently, sales are very strong in the District. However, development may be adversely affected by changes in general economic conditions, fluctuations in the real estate market and other similar factors. There can also be no assurance that land development operations within the CFD will not be adversely affected by future economic conditions or governmental policies or other factors beyond control of the Board of Education or CFD No. 1.

The development proposed for the CFD may be affected by changes in general economic conditions, fluctuations in the real estate market, changes in ownership of the land and other factors. Also, proposed development will be subject to existing and future federal, state and local regulations. Approval may be required from various public agencies in connection with the design, nature and extent of required public improvements, or such matters as land use and zoning. Although no delays are anticipated, failure to meet any such future regulations or obtain any such approvals in a timely manner could delay or adversely affect the proposed future development of CFD No. 1.

To the extent that more homes are built within the CFD, but no additional bonds are issued, the security should increase for the Series A Bonds. However, if development does slow down within the CFD, the remaining infrastructure needs may be jeopardized if additional bonds cannot be issued.

Collection of Special Taxes

In order to pay debt service on the Series A Bonds, it is necessary that the Special Taxes levied against land within CFD No. 1, are paid in a timely manner. In order to further secure the payment of principal of and interest on the Series A Bonds, CFD No. 1 is required, upon delivery of the Bonds, to deposit and maintain at all times, while the Bonds are outstanding, the Reserve Requirement in the Reserve Fund (the "Reserve Fund"), which shall be held and administered by the Trustee. CFD No. 1 has covenanted under certain circumstances to institute foreclosure proceedings to sell any property with delinquent Special Taxes in order to obtain funds to pay debt service on the Bonds. If foreclosure proceedings were instituted, any mortgage or deed of trust holder could, but would not be required to, advance the amount of the delinquent Special Taxes to protect its security interest. In the event such superior court foreclosure or foreclosures are necessary, there could be a delay in principal and interest payments to the owners of the Series A Bonds pending prosecution of the foreclosure proceedings and receipt by the CFD of the proceeds of the foreclosure sale, if any. No assurances can be given that the real property subject to foreclosure and sale at a judicial foreclosure sale will be sold or if sold, that the proceeds of such sale will be sufficient to pay any delinquent Special Tax installment. Although the Act authorizes the Board to cause such an action to be commenced and diligently pursued to completion, the Act does not obligate the Board with regard to purchasing or otherwise acquiring any lot or parcel of property sold at the execution sale if there is no other purchaser at such sale. See "SECURITY FOR THE BONDS - Covenant for Superior Court Foreclosure" for provisions which apply in the event foreclosure is required and which the Board is required to follow in the event of delinquency in the payment of Special Taxes.

Bankruptcy

The payment of Special Taxes and the ability of the CFD to foreclose the lien of a delinquent unpaid tax, as discussed in the section herein entitled "SECURITY FOR THE BONDS," may be limited by bankruptcy, insolvency, or other laws generally affecting creditor's rights or by the laws of the State relating to judicial foreclosure.

The various legal opinions to be delivered concurrently with the delivery of Series A Bonds (including Bond Counsel's approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Although bankruptcy proceedings would not cause the Special Taxes to become extinguished, bankruptcy of a property owner whose property is subject to the Special Tax could result in a delay in prosecuting Superior Court foreclosure proceedings. Such delay could increase the likelihood of a delay or default in payment of the principal of and interest on Series A Bonds and the possibility of delinquent Special Tax installments not being paid in full. The payment of Special Taxes and the ability of the Board to foreclose the lien of a delinquent unpaid Special Tax could be extremely curtailed by bankruptcy, insolvency, or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure.

Validation

In connection with the formation of Community Facilities District No. 1 and the issuance of indebtedness thereby, an action was filed in the appropriate superior court and a default judgment was obtained confirming the validity of the issuance of the indebtedness and certain other matters. The default judgment validated: that Community Facilities District No. 1 was validly formed pursuant to the Act, the Special Tax was validly levied within the District pursuant to the Act and Section 4 of Article XIII A of the State Constitution, that the Special Tax interest on the indebtedness is not subject to limitation under Article XIII B of the State Constitution and that the indebtedness has been validly approved and authorized and the evidences thereof will, upon their sale and delivery, be valid, legal, and binding obligations of the District, payable at the times and manner specified in the Act and the issuing Indenture. The default judgment was entered on February 2, 1988.

THE INDENTURE

The following is a summary of certain provisions of the Indenture ("Indenture") and does not purport to be complete. Reference is hereby made to the Indenture for further information. Copies of the Indenture are available from the Clerk of the Board upon request.

Funds and Accounts

1. **Series A Bond Reserve Fund.** An amount equal to the Reserve Requirement shall be deposited in the Series A Bond Reserve Fund from the Bond proceeds. If the amount in the Reserve Fund is less than the Reserve Requirement, then the Bond Reserve Fund shall be restored to the Reserve Requirement from any available Special Tax funds or, to the extent such funds are insufficient, by the inclusion in the next annual Special Tax levy of an amount sufficient to replenish the Series A Bond Reserve Fund, not to exceed the maximum authorized Special Tax rate. Except as otherwise provided in the Indenture, the monies in the Series A Bond Reserve Fund shall be used only for payment of the principal of and interest on the Series A Bonds and more specifically as follows:
 - (a) For transfer to the Series A Bond Service Fund from time to time such amounts as are needed to pay the principal of and interest on the Series A Bonds when due;
 - (b) The amount in the Series A Bond Reserve Fund in excess of the Reserve Requirement will be transferred to the Bond Service Fund on October 02 of each year.
 - (c) In the final bond year in which the final maturity of the Series A Bonds are to be paid, whether at maturity or redemption, an amount equal to the Reserve Requirement for the Series A Bonds shall be transferred to the Series A Bond Service Fund and utilized to pay, in whole or part, the principal of and interest on the Series A Bonds.
2. **Series A Bond Service Fund.** Five (5) days prior to each Interest Payment Date, the Treasurer shall withdraw from the Special Tax Fund and place in the Bond Service Fund an amount equal, together with amounts on deposit therein, to all of the principal and all of the interest due and payable on the Bonds on the next Interest Payment Date. On each Interest Payment Date, the Trustee shall pay the interest and principal due and payable on the Bonds from amounts on deposit in the CFD's Bond Service Fund. The Trustee shall transfer any monies remaining in the Bond Service Fund, when there are no longer Bonds Outstanding, to the District.
3. **Series A Bond Construction Fund.** Within the Construction Fund, which is to be held by the District, there shall be established a Project Account and a Costs of Issuance Account. The monies in the Construction Fund shall be used to pay the costs and expenses, including costs of issuance, relating to the issuance of the Bonds and the construction of the Facilities to be funded from the Bonds. [Upon completion of the construction of the Facilities to be financed by the Bonds, any surplus remaining in said Fund, including any interest earned thereon, shall be transferred to the CFD's Series A Bond Redemption Fund.

There shall be disbursements of money from the Costs of Issuance Account as are necessary to pay the Costs of Issuance in accordance with invoices therefor. Any amounts remaining on deposit in the Costs of Issuance Account on the earlier of the date on which the CFD has determined that all Costs of Issuance have been paid or six (6) months after the date on which the Bonds are delivered shall be transferred to the Project Account of the Construction Fund.

The District shall, from time to time, disburse monies from the CFD's Project Account to pay the CFD's Project Costs associated with the CFD's Project, in each case promptly after receipt of a Payment Request Form together with invoices therefor.

The District may rely on an executed Payment Request Form as complete authorization for any payments.

The Payment Request Form shall include:

- (a) The item number of the payment;
- (b) The name of the person to whom payment is due;
- (c) The amount to be paid; and
- (d) The purpose for which the obligation to be paid was incurred.

4. **Series A Bond Redemption Fund.** A Series A Bond Redemption Fund shall be established and shall be held and administered by the Trustee. Prior to any redemption date, the Trustee shall deposit in the Bond Redemption Fund monies available for the purpose and sufficient to redeem, at the redemption prices payable as provided in the Indenture, the Bonds designated for redemption. Such monies must be set aside in the Bond Redemption Fund solely for that purpose and shall be applied on or after the redemption date to the payment of principal and premium (if any) on the Bonds to be redeemed upon presentation and surrender thereof. Any monies remaining in the Bond Redemption Fund when there are no longer Bonds Outstanding shall be transferred to the District.

5. **Series A Bond Excess Earnings Fund.** The Excess Earnings Fund shall be maintained separately from any other fund established for the CFD. All monies in the Excess Earnings Fund shall be held by the Trustee in trust and shall be kept separate and apart from all other funds and accounts held by the Trustee.

All excess earnings on all funds and accounts (except the Administrative Expense Fund and the Excess Earnings Account) shall be deposited in the Excess Earnings Fund. The amount on deposit in the Excess Earnings Account shall be transferred to the Federal Government pursuant to the provisions of the Indenture.

Subject to the provisions of the Indenture, amounts on deposit in the respective Excess Earnings Fund shall only be applied to payments made to the United States.

6. **Series A Bond Special Tax Fund.** The Issuer shall deposit all Gross Taxes (except Prepayments and State Grants) within five (5) days of the receipt of the Gross Taxes in a Special Tax Fund and will transfer money held in the Special Tax Fund for the following purposes and in the following order of priority:
- (a) To the Bond Service Fund at least five (5) days prior to each Interest Payment Date, an amount which, together with amounts in the Bond Service Fund, is sufficient to pay the principal and interest due on the Interest Payment Date;
 - (b) To the Reserve Fund, the amount, if any, necessary to replenish the Reserve Fund to the Reserve Requirement;
 - (c) To the District, to pay Administrative Expenses;
 - (d) To the Redemption Fund, the amount available, if any, in the sole discretion of the Issuer, to effect any optimal redemption of the Bonds; and
 - (f) To pay costs of the Project, including incidental costs, to the extent permitted by the Act, provided such transfers do not materially adversely affect the security of the Bonds.

Gross Taxes which represent State Grants shall be transferred to the Trustee for deposit in the Redemption Fund.

Disposition of Series A Bond Proceeds

The Trustee, on behalf of the CFD, shall receive the proceeds from the sale of the Bonds, net of the Series A Bond Construction Fund which will be held by the District, upon the delivery of the Series A Bonds to the purchasers thereof, and shall deposit such proceeds and monies as follows:

1. Deposit in the Series A Bond Service Fund an amount equal to any accrued interest on the Series A Bonds.
2. Deposit in the Series A Bond Reserve Fund a sum equal to the Reserve Requirement.

Investment of Funds and Accounts

Monies in the Series A Bond Service Fund, Series A Bond Construction Fund, Series A Bond Reserve Fund and Series A Bond Redemption Fund shall be invested and reinvested in securities and obligations as directed by the District as follows.

Upon the direction of the District, such monies may be invested as permitted by law, including United States Treasury notes, bonds, bills and certificates of indebtedness or those for which the full faith and credit of the United States of America are pledged for the payment of principal and interest. Additionally, said monies may be held in time or demand deposits in any bank or trust company authorized to accept deposits of public funds, and said monies, if so invested, shall be secured at all times by such obligations as are required by law and to the fullest extent required by law. Said monies may be also be invested in the Local Agency Investment Fund established pursuant to Section 16429.1 of Government Code of the State of California or in other qualified County of San Diego investment funds or in tax exempt obligations of public entities as permitted by law.

Investment of money in the Series A Bond Service Fund or any of the designated accounts therein must mature prior to the date at which said money is estimated to be required to be paid out under the terms of the Indenture. All earnings, interest and profits from the investment of monies shall be credited to the fund in which such monies are held, except that prior to the completion of the Facilities to be constructed by the Bonds, any such earnings, interest and profits shall be deposited in the Series A Bond Construction Fund or as may be required in order to comply with the Indenture.

Notwithstanding anything to the contrary in the foregoing, no investment shall be permitted so as to cause the Series A Bonds to be directly or indirectly guaranteed with the meaning of Section 103(h) of the Internal Revenue Code of 1954, as amended, and any regulations thereunder.

Issuance of Additional Bonds

If at any time CFD No. 1 determines that it will not have sufficient monies available from other sources to pay the costs of the construction or acquisition of the public facilities, the CFD may provide for the issuance of and sell Additional Bonds in such principal amounts as it estimates will be needed for such purposes, subject to the following conditions precedent to such sale.

1. The amount of such Additional Bonds, when combined with Series A Bonds, shall not exceed the amount authorized for the CFD.
2. The CFD shall be in compliance with all covenants in the respective Indenture;
3. A certificate of the County Treasurer, or his or her designee, demonstrating that the Special Taxes which are capable of being levied by the CFD based upon the then taxable property in the CFD and the Special Tax rates not exceeding the authorized maximum Special Tax rates plus projected interest earnings on the Reserve Fund of Series A Bonds and Additional Bonds could be at least equal to one-hundred-ten percent (110%) of the maximum annual debt service on all Outstanding Bonds subsequent to the issuance of such Additional Bonds; and
4. The Additional Bonds shall be on such terms and conditions as may be set forth in a supplemental Indenture, which shall provide for (i) Additional Bonds substantially in accordance with the terms of the Indenture; (ii) A value to lien ratio of no less than 3 to 1 on the parcels subject to the Special Tax; and (iii) The deposit of a portion of the Additional Bond proceeds into the Reserve Fund in an amount sufficient, together with the balance of the Reserve Fund, to equal the Reserve Requirement on all Special Tax Bonds for that CFD, including the Series A Bonds issued pursuant to the Indenture and the Additional Bonds.
5. If additional Bonds are authorized and issued in series, all Special Tax Bonds shall be on parity and are entitled to share equally in the proceeds of any levied Special Taxes and no series, subsequent or prior, would have a priority position to any authorized Special Taxes.

Covenants of CFD No. 1

CFD No. 1, as long as the Series A Bonds are outstanding and unpaid, shall (through its proper members, officers, agents or employees) faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Indenture, including the following covenants for the benefit of the Bondowners:

Covenant 1. *Foreclosure.* The CFD will review the public records of the County in connection with the collection of the Special Tax not later than August 1 of each year to determine the amount of Special Tax collected in the prior Fiscal Year; and if the amount so collected is less than ninety-five percent (95%) of the amount of the Special Tax levied in such Fiscal Year, it will institute foreclosure proceedings not later than the succeeding November 1 as authorized by the Act in order to enforce the lien of the delinquent installments of the Special Tax against each separate lot or parcel of land in the respective CFD and will diligently prosecute and pursue such foreclosure proceedings to judgment sale. Initiation of such foreclosure proceedings may be deferred if the amount on deposit in the respective Reserve Fund is maintained at a level equal to the respective Reserve Requirement.

Covenant 2. *Protection of Security and Rights of Bondowners.* The CFD covenants and agrees to preserve and protect the security of the Bonds and the rights of the Bondowners and to defend their rights under all claims and demands of all persons.

Covenant 3. *Complete Project.* CFD No. 1 covenants and agrees that it will diligently carry out and continue to completion the acquisition and construction of the Project in accordance with the Act and the proceedings for the formation of the CFD. The Project to be acquired or constructed may be amended as provided in the Act, but no amendment may be made which would substantially impair the security of the Series A Bonds or the rights of the Bondowners.

Covenant 4. *No Subordination.* Except the Additional Bonds, as permitted in the Indenture, the CFD will not issue any other obligations payable, as to principal or interest, superior to or on a parity with the Series A Bonds. Notwithstanding the foregoing, nothing in the Indenture shall prevent the CFD from issuing refunding obligations payable from and having a first lien upon the Special Taxes, if such refunding obligations are issued for the purpose of, and are sufficient for the purpose of, refunding all of the Series A Bonds authorized by the Indenture and then outstanding.

Covenant 5. *Punctual Payment.* The CFD covenants and agrees that it will duly and punctually pay or cause to be paid the principal of and interest on their Series A Bonds issued on the date, at the place and in the manner provided in the Indenture.

Covenant 6. *Levy Special Tax.* The CFD will each year levy the Special Tax to the extent necessary and permitted by the Act and the proceedings in order to yield one-hundred percent (100%) of the Annual Debt Service, to replenish the Series A Bond Reserve Fund and to pay any other amounts as provided in the Indenture.

Covenant 7. *Use of Proceeds.* The CFD covenants and agrees that the proceeds of the sale of the Bonds will be deposited and used as provided in the Indenture and that the CFD will make no use of the proceeds which will cause the Series A Bonds to be "Arbitrage Bonds" subject to federal income taxation.

Covenant 8. *Books and Accounts.* The CFD covenants and agrees that it will at all times keep, or cause to be kept, proper and current books and accounts (separate from all other records and accounts) in which complete and accurate entries shall be made of all transactions relating to the Special Tax Revenues and other funds relating to acquisition or construction of the Facilities and the Special Taxes and other funds provided for in the Indenture.

Covenant 9. *Tax Covenant Related to the Code.* The CFD will not directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the CFD or take or omit to take any action that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code, or obligations which are "federally guaranteed" within the meaning of Section 149(b) of the Code. The CFD will not allow five percent (5%) or more of the proceeds of the Bonds to be used in the trade or business of any non-governmental units and will not loan five percent (5%) or more of the proceeds of the Bonds to any non-governmental units.

The CFD covenants that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds under Section 103 of the Code. The CFD will not directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the CFD, or take or omit to take any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code. To that end, the CFD will comply with all requirements of Section 148 of the Code to the extent applicable to the respective Series A Bonds. In the event that at any time the CFD is of the opinion that for purposes of abiding by the Indenture it is necessary to restrict or limit the yield on the investment of any monies held under this Indenture or otherwise the CFD shall so instruct the Treasurer in writing, and the Treasurer shall take such action as may be necessary in accordance with such instructions.

Without limiting the generality of the foregoing, the CFD agrees that there shall be paid from time to time all amounts required to be rebated to the United States of America pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the Bonds from time to time. This covenant shall survive payment in full or defeasance of the Series A Bonds. The CFD specifically covenants to pay or cause to be paid to the United States of America at the times and in the amounts determined.

Notwithstanding any provision of the Indenture, if the CFD shall provide to the Treasurer an Opinion of Counsel to the effect that any action required under this covenant is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Bonds pursuant to Section 103 of the Code, the Treasurer may rely conclusively on such opinion in complying with the provisions hereof, and the covenant hereunder shall be deemed to be modified for the CFD to that extent.

Covenant 11. *General.* The CFD will do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the District under the provisions of the CFD's Indenture. The CFD warrants that, upon the date of execution and delivery of the Series A Bonds, the conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the execution and delivery of such Series A Bonds do exist, have happened and have been performed and the execution and delivery of the Series A Bonds shall comply in all respects with the applicable laws of the State.

Covenant 12. *Extension of Payment of Bonds.* The CFD will not directly or indirectly extend the maturity dates of the Series A Bonds or the time of payment of interest with respect thereto; provided that the CFD may issue securities for the purpose of providing funds for the redemption of the Series A Bonds and such issuance shall not be deemed to constitute an extension of the maturity of the Series A Bonds.

Amendment of the Indenture

The Indenture may be modified or amended at any time by Supplemental Indenture adopted by the CFD, without the consent of Owners of any outstanding Special Tax Bonds if the modification or amendment is for the purpose of adding covenants and agreements further to secure Series A Bond payment to prescribe further limitations and restrictions on Series A Bond issuance; to surrender rights and privileges of the CFD to make modifications not affecting any Outstanding Special Tax Bonds for the purpose of curing any ambiguities, defects, or inconsistent provisions in the Indenture provided that the modifications or amendments do not adversely affect the rights of Owners of any Outstanding Special Tax Bonds; and to prescribe further limitations and procedures regarding the use of the proceeds of the Series A Bonds and the monies held in compliance to the provisions of the Indenture in order to comply with federal legislation now pending or hereafter enacted governing the tax exemption of interest on the Series A Bonds. The Indenture may be modified or amended for any purpose with the consent of the Owners of sixty percent (60%) of the Bonds then outstanding (exclusive of Series A Bonds owned by CFD No. 1) provided, however, that modification or amendment shall, without the express consent of the affected Owners, reduce the principal amount of any Series A Bond or any premium due thereon, reduce the interest rate payable thereon, extend the maturity or the time for paying interest thereon, change the monetary medium in which principal and interest is payable, or create an interest in the Special Taxes superior to the interest created pursuant to the Indenture, or reduce the percentage of consent required for amendment or modification.

Land Values

Based upon the County Assessor's analysis, the value of each parcel of land exceeds the amount of the total special tax obligation. However, there is no assurance that, in the event of a foreclosure sale for a delinquent Special Tax installment (or installments), any bid will be received for such property or that any bid received or resale price will be sufficient to pay such Special Tax installments (plus costs and penalties) (see "SECURITY FOR THE BONDS - Covenant for Superior Court Foreclosure").

Beginning with the 1981-82 fiscal year, property in California is assessed at 100 percent of full cash value. Article XI11A of the California Constitution defines such "full cash value" as the appraised value as of April 1, 1975, plus adjustments not-to-exceed two percent (2%) per year to reflect inflation and requires reassessment of "full cash value" upon change of ownership or new construction. Accordingly, the assessed values in the Table reflect only 1975 values as increased by two percent (2%) per year unless the parcel has changed ownership or has had new construction thereon, in which case the assessed valuation will more closely approximate current market value.

The following tables summarize the estimated value information for CFD No. 1. The value to lien ratio is arrived at by dividing the assessed value of the parcels by the total amount of the Bonds.

MISCELLANEOUS

Absence of Litigation

At the time of delivery of and payment for the Series A Bonds, CFD No. 1 will certify to the best of its knowledge that there is no action, suit, proceeding inquiry or investigation, at law or in equity, before or by any court or regulatory agency, against CFD No. 1 or the District affecting their existence or the titles of their respective offices or seeking to restrain or to enjoin the sale or delivery of the Series A Bonds for the CFD, the application of the proceeds thereof in accordance with the Indenture, or in any way contesting or affecting the validity or enforceability of the Series A Bonds, the Indenture or any action of CFD No. 1 or the District contemplated by any of said documents, or in any way contesting or affecting the validity or enforceability of the Series A Bonds for the CFD, the Indenture or any action of CFD No. 1, or the District contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of CFD No. 1 or the District or its authority with respect to the Series A Bonds for the CFD or any action of CFD No. 1 or the District contemplated by any of said documents, nor, to the knowledge of CFD No. 1 or the District, is there any basis therefor.

Constitutional Limitations on Taxation and Appropriations

Article XIII A of the California Constitution, commonly known as "Proposition 13", provides that each county will levy the maximum ad valorem property tax permitted by Proposition 13 and will distribute the proceeds to local agencies in accordance with an allocation formula based, in part, on pre-Proposition 13 ad valorem property tax rates levied by local agencies.

Article XIII A limits the maximum ad valorem tax on real property to one percent (1%) of "full cash value," which is defined as "the County Assessor's valuation of real property as shown on the 1975/76 tax bill under 'full cash value' or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment." The full cash value may be adjusted annually to reflect inflation at a rate not to exceed two percent (2%) per year, or reduction in the consumer price index, or comparable local data on declining property value caused by damage, destruction, or other factors.

Legislation enacted by the California Legislature to implement Article XIII A (Statutes of 1980, Chapter 1256, as amended) provides that, notwithstanding any other law, local agencies may not levy any property tax except to pay debt service on indebtedness approved by the voters prior to July 1, 1978, and that each county will levy the maximum tax permitted by Article XIII A of \$1 per \$100 of full cash value (formerly \$4 per \$100 of assessed valuation based on the traditional practice of using 25 percent (25%) of full cash value as the assessed value for tax purposes).

The revenues from such tax are distributed to local agencies such as the County, according to an allocation system enacted by Statutes of 1979, Chapter 282, as amended. Under this law, local public entities receive property tax revenues in proportion to their relative tax rates prior to Proposition 13 subject to certain modifications for cities, counties, and school districts and to various adjustments in succeeding years.

Future assessed valuation growth allowed under Article XIII A (new construction, change of ownership, two percent (2%) inflation) will be allocated on the basis of "situs" among the jurisdictions that serve the tax rate area within which the growth occurs. Local agencies and schools will share the growth of "base" revenues from the tax rate area. Each year's growth allocation becomes part of each agency's allocation in the following year. The availability of revenues from growth and tax bases to such entities may be affected by the establishment of redevelopment agencies which, under certain circumstances, may be entitled to such revenues resulting from the upgrading of certain property values. Section 4 of Article XIII A effectively prohibits the levying of any other ad valorem property tax above the limits set in Section 1, even with the approval of the affected voters except as provided in Section 1 (b) thereof.

Statutory Restrictions on the Adoption of New or Higher General and Special Taxes

The Government code of California was amended, as a result of voter approval of Proposition 62 on November 4, 1986, to restrict the ability of local governments and districts to impose new or increased taxes. The law now provides, in pertinent part, as follows:

- (1) Section 53721 of the Government code defines "special taxes" as any tax other than a general tax "imposed for specific purposes;"
- (2) Section 53722 of the Government Code restates the current two-thirds voter approval requirement for special taxes;
- (3) Section 53726 of the Government Code provides that the statute does not affect the operation of any statute, enacted prior to August 1, 1985, which authorizes the imposition of special taxes (such as the Act) except as provided in Section 53727;
- (4) Section 53727(a) of the Government Code provides that neither this statute nor Article XIII A of the California Constitution nor Government Code Sections 50075 *et seq.* may be construed to authorize the imposition of a general or special tax which is not otherwise authorized by statute or the State constitution provided that any special tax imposed pursuant to Article 3.5 of Division 1 of Title 5 of the government Code prior to August 1, 1985, shall not be affected by this Section; and
- (5) Section 53727(b) of the government Code provides that all general and special taxes which are imposed on or after August 1, 1985, and prior to the effective date of the statute, must be approved by a majority vote of the voters.

Since this statute by its terms applies retroactively to any special taxes imposed after August 1, 1985, and the Special Tax was approved and levied after that date, it could be argued that the Special Tax violates the statute. However, Section 53726 provides that the statute shall not be construed "to repeal or otherwise affect the operation of any statute enacted prior to August 1, 1985, which authorizes the imposition of a special tax," except as provided in Section 53727. Since the Act was enacted prior to 1985, except as provided in Section 53727 of the Government Code, the statute would have no effect on it, except perhaps as to amendments enacted following the effective date of the statute. Furthermore, the requirement that all special taxes imposed after August 1, 1985, must be approved by a majority vote has already been fully complied with in the imposition of the Special Tax, as was the requirement that a special tax be approved by a two-thirds voter approval.

Property Tax Collection Procedures

In California, property which is subject to ad valorem taxes is classified as "secured" or "unsecured". The secured classification includes property on which any property tax levied by the County becomes a lien on that property. A tax levied on unsecured property does not become a lien against the unsecured property but may become a lien on certain other property owned by the taxpayer. Every tax which becomes a lien on secured property has priority over all other liens, arising pursuant to State law, on the secured property, regardless of the time of the creation of other liens.

Secured and unsecured property are entered on separate parts of the assessment roll maintained by the County Assessor. The method of collecting delinquent taxes is substantially different for the two classifications of property. The taxing authority has four ways of collecting unsecured personal property taxes: (1) a civil action against the taxpayer; (2) filing a certificate in the office of the County Clerk specifying certain facts in order to obtain a judgment lien on certain property of the taxpayer; (3) filing a certificate of delinquency for record in the County Recorder's office in order to obtain a lien on certain property of the taxpayer; and (4) seizure and sale of personal property, improvements or possessory interest belonging or assessed to the assessee. The exclusive means of enforcing the payment of delinquent taxes with respect to property on the secured roll is the sale of the property securing the taxes to the State for the amount of taxes which are delinquent.

Commencing in 1982, a ten percent (10%) penalty is added to delinquent taxes which have been levied with respect to property on the secured roll. In addition, property on the secured roll on which taxes are delinquent is sold to the State on or about July 30 of the fiscal year. Such property may thereafter be redeemed by payment of the delinquent taxes and a delinquency penalty, plus a redemption penalty of one-half percent (1-1/2%) per month to the time of redemption. If taxes are unpaid for a period of five (5) years or more, the property is deeded to the State and then is subject to sale by the County Tax Collector. A ten percent (10%) penalty also applies to delinquent taxes on property on the unsecured roll, and further, an additional penalty of one-half (1-1/2%) percent per month accrues with respect to such taxes beginning the first day of the third (3rd) month following the delinquency date.

Taxes on unsecured property are due April 1 and become delinquent August 31, and such taxes are levied at the prior year's secured tax rate. The valuation of property is generally determined as of April 1 each year and installments of taxes levied upon secured property become delinquent on the following December 10 and April 10. In 1983 the law was amended to provide for the supplemental assessment and taxation of property as of the occurrence of a change of ownership or completion of new construction.

Tax Exemption

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements which must be met subsequent to the execution and delivery of the Bonds for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements after the date of issue of the Bonds for each CFD could cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the Date of Issuance of the Bonds for regardless of the date on which such noncompliance occurs or is ascertained. These requirements include but are not limited to provisions which prescribe yield and other limits within which the proceeds of the Bonds and other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. Pursuant to the Indenture, CFD No 1 has covenanted to take any and all action or to refrain from taking any action in order to comply with the requirements of the Code.

In the opinion of Bond Counsel, under existing laws, regulation, proposed regulations, if adopted in their present form, rulings and court decisions, and assuming compliance by CFD No. 1 with the covenants in the Indenture designed to meet the requirements of the Code, the interest on the Bonds is excluded from gross income for federal income tax purposes. Bond Counsel is further of the opinion that the interest on the Bonds is not a specific preference item for purposes of the alternative minimum tax provisions of Section 55 of the code. Bond Counsel expresses no opinion regarding other federal income tax consequences of receiving interest on the Series A Bonds.

However, for taxable years beginning after December 31, 1986, interest on the Bonds owned for each CFD owned by corporations will be taken into account: (1) in determining the alternative minimum tax imposed by Section 55 of the code, which is based in part on the excess of adjusted net book income over alternative minimum taxable income (determined without regard to this calculating the environmental tax equal to 0.12 percent of a specified amount (generally \$2,000,000) imposed by Section 59A of the Code, and (2) in determining the foreign branch profits tax imposed by Section 884 of effectively connected earnings and profits tax (with adjustments) of United States branches of foreign corporations. Purchasers of the Series A Bonds should also be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences (for example, to finance institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations). Accordingly, potential purchasers should consult their own tax advisors as to the applicability of any such consequences.

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not expressly stated, are set forth as such and not as representations of fact. No representation is made that any of such statements made will be realized. Neither this Official Statement nor any statement which may have been made verbally or in writing is to be construed as a contract with Bondowners.

The execution and delivery of this Official Statement and any subsequent Official Statement have been duly authorized by the District on behalf of Community Facilities District No. 1.

APPROVED by the Board of Education of the Poway Unified School District, Community Facilities District No. 1, San Diego, California, this 26th day of August, 1991.

POWAY UNIFIED SCHOOL DISTRICT
COMMUNITY FACILITIES DISTRICT NO. 1

EXHIBIT "A"

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

The Resolution of Intention refers to this Exhibit for an explanation of the rate and apportionment of the special tax so as to allow each landowner or resident within the proposed district to estimate the annual amount that would be required for payment. For particulars as to the rate and method of apportionment, see the following:

The Special Tax applicable to each Residential Property in Community Facilities District No. 1 ("CFD No. 1") shall be determined by applying to such property the appropriate Special Tax rate described below. No tax shall be levied on commercial and/or industrial property.

CLASSIFICATION OF RESIDENTIAL PROPERTY

All Residential Property shall be classified as either Developed Property or Undeveloped Property. Additionally, all Developed Property shall be further classified into one of the housing categories identified below.

Each Residential Property shall only be subject to an amount not to exceed the maximum Special Tax rate applicable to its classification.

DEVELOPED PROPERTY TAX RATES

Each Developed Property shall be subject to one of the following Special Tax rates as applicable:

Initial Special Tax:

The maximum Special Tax rate applicable to any Developed Property for the Initial Fiscal Year for such property shall be the then effective Initial Special Tax for the housing category for such property. The Initial Special Tax for the Fiscal Year commencing July 1, 1987, is as follows:

<u>Housing Classification</u>	<u>Housing Size (Square Feet)</u>	<u>Initial Special Tax</u>
Single family detached	over 2,100	\$ 920
	1,901 - 2,100	837
	1,701 - 1,900	787
	1,401 - 1,700	733
	1,251 - 1,400	644
	1,250 and under	627

<u>Housing Classification</u>	<u>Housing Size (Square Feet)</u>	<u>Initial Special Tax</u>
Single Family Attached	over 1,400	\$ 598
	1,251 - 1,400	570
	1,101 - 1,250	564
	901 - 1,100	484
	751 - 900	456
	750 and under	427
Apartments/Mobile Homes	over 900	285
	751 - 900	256
	750 and under	228

Commencing July 1, 1988, the above Initial Special tax rates for each Fiscal Year shall be subject to escalation by an amount equal to the percentage increase in the Building Cost Index for the preceding Fiscal Year multiplied by the Initial Special Tax for such preceding Fiscal Year.

Annual Special Tax

In each Fiscal Year following the Initial Fiscal Year for any Developed Property, such property shall be subject to an Annual Special tax which shall equal the Initial Special tax for such property subject to an annual escalation in an amount not to exceed 2% per Fiscal Year. Provided, however, that commencing with the Fiscal Year beginning July 1, 1989, the Board may escalate the Annual Special tax in each Fiscal Year up to an additional 2% for such Fiscal Year, only if the Board determines prior to the commencement of each such Fiscal Year, at a public hearing on such matter duly called and noticed, that such rate of escalation for such Fiscal Year is necessary to pay debt service, fund any required sinking fund, and finance School Facilities for such Fiscal Year.

UNDEVELOPED PROPERTY TAX RATE

In the event that on July 1 of any Fiscal Year, the sum of

(1) the maximum projected revenues that could be generated from the Special Tax if they were applied to all Developed Properties at the maximum rate possible (including without limitation increases that would result from the application of the Maximum Escalators), and

(ii) all Surplus Funds,

shall be insufficient to pay principal of and interest on the bonds of CFD No. 1 at that time outstanding for such Fiscal Year, and to make any deposits required to be made with respect to any reserve fund created with respect to such bonds for such Fiscal Year, all Undeveloped Property shall be subject to a Special Tax for such Fiscal Year only, at a rate not to exceed \$2,000 per acre of Net Undeveloped Property (or a proportionate amount thereof for any portion of such acre), as calculated below. Such Special tax on the Undeveloped Property shall be calculated for each acre (or fraction thereof) of Net Undeveloped Property as follows:

The amount minimally required to pay for such Fiscal Year, the shortfall of principal of and interest on the bonds of CFI No. 1 at that time outstanding and to make any required deposits into any reserve fund established with respect to such bonds (such minimum shortfall to be calculated in accordance with the preceding sentence), shall be divided by the number of acres (including fractions thereof) of Net Undeveloped Property.
